Privacy Policy

Omise Co., Ltd., Omise Japan Co., Ltd., Omise Payment SG Pte. Ltd., Omise Payment MY SDN. BHD. and our affiliates and group companies ("Opn Payments," "we," "us," and/or "our,") recognize the importance of the protection of your Personal Data provided for using our services. As part of our daily business operations, we collect Personal Data from our clients, prospective clients and end-users in order to provide them with our products and services and to ensure that we can meet their needs both when providing these products and services and when providing them with the appropriate information.

As a result, we created this Privacy Policy ("**Policy**") to help you understand your privacy options while using any device to access, use our services and to ensure that your Personal Data is collected, used, shared and transferred in an appropriate manner and for the purposes set out in this Policy.

This Policy will govern our treatment of your Personal Data and Sensitive Data during the term and performance of the services provided by us through our official website, applications including our business partner application (as applicable), as well as any activities or interactions you have with us.

Our Policy is reviewed regularly to ensure that any new obligations and technologies, changes to our business operations and practices are taken into consideration, as well as that it remains abreast of the changing regulatory environment. We encourage you to read this Policy carefully and we reserve the right to amend this Policy from time to time. Any amendment to this Policy will become effective when posted on our official website. Any Personal Data and Sensitive Data we hold will be governed by our most recent Policy.

For the sake of clarification and for the purpose of this Policy,

"Personal Data" means personal information relating to an individual who can be identified particularly by reference to certain information given by such an individual as requested by Opn Payments for specific purposes contained in this Policy.

"Sensitive Data" means any personal data pertaining to racial, ethnic, origin, political view, cult, religious or philosophical belief, sexual behavior, criminal record, health data, disability, trade union information, genetic data, biometric data or any data that may affect the data subject in the same manner, as prescribed by the committee.

1. Channel for collection of Personal Data and Sensitive Data

We collect your Personal Data and Sensitive Data through the following channels:

1) The Personal Data and Sensitive Data that you provide directly to us, or that Opn Payments collects as a result of your use or application for using of products and/or services, contact, visit, participation in activities, and search via service channels and/or Opn Payments's contact channels, such as head office, website, application, online social media platform, email and similar channels;

2) The Personal Data and Sensitive Data received or accessed by Opn Payments from other sources such as our service providers, business partners, any other person or juristic person or agency with which Opn Payments has a legal relationship.

2. Which Personal Data and Sensitive Data do we collect, use, and/or disclose?

We do not intend to collect, use, or disclose Personal Data and Sensitive Data of minors, the incompetent, or quasi-incompetent, unless we obtain consent from the guardian, the appointed guardian, the appointed curator, or any act pursuant to which minors may give consent by themselves pursuant to law (as applicable) and/or has any lawful basis. If we discover that the collection, use, or disclosure of Personal Data and/or Sensitive Data of minors, the incompetent, or quasi-incompetent persons was conducted without (i) consent from the guardian, the appointed guardian, the appointed curator, or minors who may give consent by themselves pursuant to law, and (ii) any lawful basis, we shall delete or destroy such Personal Data and/or Sensitive Data.

If you provide Personal Data and/or Sensitive Data of any other third party who is a personnel of Juristic Person and/or who has an involvement with you, such as shareholders, directors, authorized persons, family members, reference persons and/or any other person etc. to Opn Payments, please inform those persons of the details under this Policy and request their consent, if necessary, or apply other lawful basis to ensure that Opn Payments can collect, use and/or disclose Personal Data and/or Sensitive Data of the aforementioned third party.

3. The Purposes we collect, use, and/or disclose your Personal Data and Sensitive Data

Opn Payments will collect, use, and/or disclose your Personal Data and Sensitive Data only as necessary to accomplish Opn Payments's legitimate objectives, which may include the collection, use, and/or disclosure of Personal Data and Sensitive Data for the performance of contractual obligations to which you are a party, for the performance of legal obligations, for legitimate interest, for operations based on your consent, and/or for other lawful purposes.

The following objectives guide the collection, use, and/or disclosure of your Personal Data and Sensitive Data under this Policy. Some of the objectives listed below may or may not apply to you. Please evaluate the objectives in light of your connection with Opn Payments on an individual basis.

3.1 Compliance with the applicable laws: We collect, use, and/or disclose your Personal Data and/or Sensitive Data based on the fulfillment of responsibilities in line with the applicable laws and legislation, such as payment system law, anti-money laundering law, counter - terrorism and proliferation of weapons of mass destruction financing law, as well as other laws that Opn Payments is required to abide by both domestically and internationally, including announcements and rules issued under such laws, which are both now in effect and to be altered further. There are numerous regulatory authorities

whose laws and regulations we must follow (e.g., central bank, anti-money laundering office). We are obligated to process your Personal Data and Sensitive Data for credit checks, identification, verification, record keeping, payment processing, transaction monitoring, compliance with court orders, or other reporting responsibilities of anti-money laundering procedures.

- 3.2 Contractual performance: We collect, use, and/or disclose your Personal Data and Sensitive Data on the basis of our contractual relationship with you in order to provide you with our services as well as information on those services, including consultation regarding the services, communication in relation to the services, and the performance of the complaint handling procedure. Additionally, your Personal Data and Sensitive Data are processed in order to complete our client (i.e., merchant, service user) onboarding procedure. In this case, in order to accept you as our clients, we must execute the know your customer (KYC), know your merchant (KYM) and customer due diligence (CDD) procedures (as the case may be), which include obtaining your credit report and company profile report, inspecting the sanction list, and performing merchant risk categorization procedures. In addition, we need to use your Personal Data in order to effectively manage your account with us to ensure that you are getting the best possible service from us.
- **3.3** Troubleshooting and improvement of our services/products: We collect, use, and/or disclose your Personal Data on the basis of contractual performance in order to conduct any performance analysis, error correction, usability testing, and other activities for enhancing the efficacy of our services and products. We may from time to time use your Personal Data if you require assistance or advice on the use of our services and products.
- **3.4 Protection of legitimate interests**: We collect, use, and/or disclose your Personal Data on the basis of legitimate interest in order to protect our or a third party's legitimate interests. A legitimate interest is when we have a business or commercial reason to use or disclose your Personal Data, including, but not limited to: (i) initiating legal claims and preparing our defense in litigation procedures; (ii) means and processes we undertake to provide for our IT and system security, preventing potential crime, asset security, admittance controls, and anti-trespassing measures; (iii) any conduct relating to risk management; or (iv) fraud prevention and transaction investigations.
- **3.5 Investigation or judicial procedure**: We may collect, use, and/or disclose your Personal Data to comply with court orders or other judicial procedures, or the request or requirements of any applicable regulatory authority, in accordance with the applicable laws and regulations. Additionally, we may need to use your Personal Data to send you required legal notices.
- **3.6 Marketing communications**: We may collect, use, and disclose your Personal Data based on your consent in order to market and recommend our features, products, and services that you may be interested in, and we may use your Personal Data to send you marketing communications or advertisements, such as providing of privilege, sales promotion, special offer, and any other marketing communications in relation to our services and products via email, social media platform, mobile phone or other similar channels.

3.7 Profiling and data analytic: We may collect, use and/or disclose your Personal Data based on your consent to, by using browser cookies, personalize contents and preferences, to selectively deliver and display the advertisements, and to enable us to evaluate statistical data about website visitors, such as their frequency and location of website access, as well as the conversion rate from website visit to account sign-up.

For your convenience, the purposes for which we collect, use, and disclose your Personal Data based on your relationship with us are detailed in the table below:

4. Disclosure of your Personal Data and Sensitive Data

We will not disclose your Personal Data and Sensitive Data to any third party, except the following conditions:

- 1) Disclosure of your Personal Data and/or Sensitive Data is compelled by law, government authority, court order, or administrative tribunal;
- 2) Disclosure of your Personal Data and/or Sensitive Data is justified by a lawful basis;
- 3) Disclosure of your Personal Data and/or Sensitive Data occurs at your request or upon your consent;
- 4) Disclosure of your Personal Data and/or Sensitive Data to persons or juristic persons described in this Clause 4.

Unless otherwise authorized by a regulatory authority, we shall make such disclosures based on a need-to-know basis. Under these circumstances, we will inform the third party about the confidential nature of your Personal Data and/or Sensitive Data. As part of our use of your Personal Data and/or Sensitive Data for the purposes stipulated in this Policy, we may disclose your Personal Data and/or Sensitive to the following parties:

- (a) Members including directors, executives, employees, staffs of *SYNQA Group Companies*, *Omise Group Companies and/or OPN Group Companies*, solely for carrying out the purposes of this Policy and on a need-to-know basis;
- (b) Our financial business partners, partnering financial institutions, co-branded partners, source of funds, card schemes (VISA, MasterCard, JCB, Amex etc.), and third parties including financial technology service providers and commercial banks. In this regard, we will disclose your Personal Data and/or Sensitive Data to facilitate our services to you and for the legitimate investigation including but not limited to fraud or money laundering and/or terrorist financing investigations;
- (c) Regulatory bodies as required by laws, such as law enforcement agencies, investigators, public prosecutors, tribunals, courts, authorities who have the authority to supervise the business or regulated payment services and government agencies in relation to the provision of services. In this regard, we will disclose your Personal Data and/or Sensitive Data to comply with the directives of officials or those with legal rights;
- (d) Our consultants or specialists, such as auditors, legal counsel, tax consultants. We will disclose your Personal Data and/or Sensitive Data for our general business operations;
- (e) Our service providers include information technology, information technology support, infrastructure, system, information technology security, database, search agency, marketing, campaign and event organizers, and service providers associated with the merchant's onboarding, screening and monitoring procedures. We will disclose your Personal Data and/or Sensitive Data to facilitate services to you, record, integrate and secure your Personal Data and/or Sensitive Data;
- (f) Assignee of Opn Payments's merger rights In the event of organizational restructuring or mergers and acquisitions, purchase of business, transfer of rights, liquidation, or any other similar event, we may be required to disclose your Personal Data and Sensitive Data to such assignments; and
- (g) Anyone authorized by you.

5. Cross-Border Transfer

We may transmit your Personal Data outside of Thailand, Japan, Singapore, Malaysia to SYNQA Group Companies, Omise Group Companies and/or OPN Group Companies, as well as our service providers who provide IT infrastructure and technological services, including data center, cloud platform or having their servers located in other countries. To the extent that we transmit your Personal Data outside of Thailand, Japan, Singapore or Malaysia (as the case may be), we will ensure that such transmission is lawful and that our sub-processors in the third countries are obligated to comply with the data protection laws or other comparable laws and to provide the appropriate safeguarding measures in relation to the transmission of your Personal Data, as required by law.

6. Cookies

We use and allow our cookies and certain third-parties to use cookies and similar tracking technology on our site as follows.

We use browser cookies to personalize content and your preference, to selectively deliver and display our advertisements and marketing materials to allow us to analyze statistical information of our website users including frequency and location of website access, and to measure conversion rate from website visit to account sign-ups. For this profiling purpose we embed third party javascript from Google that shares your browser information with them and links the site access with your browsing history using their cookies. In return, they provide us with an anonymized website's visitors' usage analysis. Your actual user identity that you shared with these providers will not share with us. You consent to our browser cookies if you continue to use our website and decide not to block them.

You may choose to disable or delete certain cookies on your internet browser settings, but you will not be able to access or use important features or functions of the website. You can also delete all website access and conversion data shared with Google anytime from https://myactivity.google.com/myactivity

7. Retention of you Personal Data

We will retain your Personal Data and Sensitive Data in electronic, paper, audio and video formats for as long as necessary to fulfill the purposes outlined in this Policy, unless stated otherwise in this Policy. Following the expiration or termination of our engagement or relationship with you, we will continue to retain your Personal Data for as long as the applicable laws require. Once we conclude that your Personal Data is no longer required to be retained for the purposes of this Policy and we are relieved of our legal obligation to keep your information, we will delete or destroy your Personal Data or make it as non-personally identifiable information. The retention duration for your Personal Data is specified in the table below:

| Type of Personal Data based on activity | Retention Period | |
|---|---|--|
| Personal Data and Sensitive Data which are collected throughout the process of onboarding | Thailand: 10 years retention period for the information relating to the KYC and CDD | |

| | 1. 0 | | | |

8. Your right as a Data Subject

The right that is available to you in relation to your Personal Data and Sensitive Data we hold about you are as follows:

- (a) **Right to Access**: You have the right to request access to your Personal Data and Sensitive Data stored in our system and to receive a reasonable copy of such data.
- (b) **Right to Rectification**: Your Personal data is necessary for the delivery of our services. On this basis, we shall ensure that your Personal Data and Sensitive Data are accurate, up-to-date, and comprehensible, and that its subject matter does not lead to confusion. If your Personal Data and/or Sensitive Data is inaccurate, out-of-date, incomplete, or may lead to misconceptions regarding the substance of the information, you have the right to request rectification of your Personal Data and Sensitive Data by contacting us at the contact point stated in this Policy. In certain instances, we may seek further evidence to authenticate the veracity of the rectified information.
- (c) **Right to Data Portability**: You have the right to receive your Personal Data and Sensitive Data if we have made it accessible in a format that can be read or utilized by automated tools or equipment and can be used or disclosed via automated method. You also have the right to request that we electronically transmit or transfer your Personal Data and Sensitive Data to another data controller, where possible, and have the right to obtain Personal Data and Sensitive Data that we send or transfer in such form directly to another data controller, unless it is technically impossible to do so.
- (d) **Right to Object**: You have the right to object to the collection, use, or disclosure of your Personal Data and Sensitive Data. If you submit an objection request, we will continue to collect, use, and/or disclose your Personal Data and Sensitive Data only to the extent that we are required by law to do so or that it is more important or for the purpose of establishing legal claims on a case-by-case basis, compliance, or exercise of legal claims, or defense against legal claims.
- (e) **Right to Restriction or Suspension**: You have the right to request a restriction on or a temporary suspension of the collection, use, and/or disclosure of your Personal Data and Sensitive Data in certain situations, such as if you suspect that the Personal Data and/or Sensitive Data obtained by Opn Payments is erroneous or in the event that your Personal Data and/or Sensitive Data is undergoing revision, etc.
- (f) **Right to Delete or Destroy**: You can ask us to delete or destroy your Personal Data and Sensitive Data. If you suspect that your Personal Data and/or Sensitive Data has been improperly collected, used, or disclosed or it is no longer required to preserve for the purposes outlined in this Policy. We reserve the right to refuse deletion or destruction requests if we believe or determine that your Personal Data and/or Sensitive Data is compelled by law to be retained.
- (g) **Right to Withdraw Consent (opt-out)**: You have the right to withdraw consent at any time. Nonetheless, the withdrawal shall not affect the collection, use, disclosure, processing, and/or transmission of your Personal Data to which you have already consented. If we have disclosed your Personal Data or Sensitive Data to third parties, we will notify them of your withdrawal. However, Your withdrawal of consent may prevent us from fulfilling our obligations under the contract or from providing you with services, or may result in the suspension of all subsequent transactions and associated activities. Before withdrawing your consent, it is in your best interest to perform research and inquiries about the consequences.
- (h) **Right to Lodge Complaint**: If you believe that Opn Payments's collection, use, or disclosure of your Personal Data and Sensitive Data violates applicable law, you have the right to file a complaint with the official or the competent legal body.
