Terms and Conditions

These Terms and Conditions shall be an integral part of the Merchant Service Agreement.

1. **Use of Services:** For all Selected Payment Method approved by Omise, the Merchant shall be entitled to use such Selected Payment Method to receive the Transaction Amount made by the Customer under the Terms and Conditions of the Source of Fund.
2. **Register on behalf:** Omise may register Merchants on their behalf with a Source of Fund if instructed to do so by the Merchant. In this regard, the Merchant consents Omise the right to share all necessary information with the Source of Fund for the purpose of providing the Service to Merchants, including but not limited to names, addresses, web addresses and Goods and Services offered or sold to the Customer.
3. **Use of Logos and Marks:** Upon the completion of the Merchant’s onboarding process, a Merchant may use logos and content of the Source of Fund to indicate acceptance. The Merchant agrees to comply with any instruction provided by the Source of Fund and/or Omise and Source of Fund’s policies on the use of logos and marks. The Merchant allows Omise to monitor the use of such logos and marks.
4. **Notification to Customer:** In providing Goods or Services through the Platform, The Merchant agrees to notify the Customer of (i) details, specification and quality of Goods, (ii) conditions and policies concerning refunds, cancellation and return of Goods, (iii) the principal address of the business, telephone number and/or email address, (iv) delivery procedures and (v) privacy policy.
5. **Request for Consent:** The Merchant agrees to request consent and authorization from its/his Customer to make a payment with the Selected Payment Method.
6. **Transaction Receipt:** The Merchant will issue a receipt with respect to the payment of the Transaction Value to the Customer once the payment has been completed. The receipt shall contain (i) the payment method, (ii) all details of the purchased Goods and Services (iii) amounts (iv) date of purchase and when the service is to be provided or the goods to be received and (v) cancellation or refund policies for this transaction.
7. **Providing Customer’s document(s) for KYC:** In case any Transaction Amount has been made by Customer equal to or exceeding THB 500,000 (Five Hundred Thousand Thai Baht) per each transaction regardless of any Selected Payment Method(s), except for the Transaction Amount made by Customer through the Electronic Card Payment Services, the Merchant agrees to provide Omise with all of the following Customer’s informations for KYC process within 7 days after the date of such transaction made by Customer:
 - a. full name;
 - b. date of birth;
 - c. identification number - Thai Identification Card number (in case of Thai Customer) or passport number (in case of foreigner Customer);
 - d. address - address as stated in Thai Identification Card or household registration and present address (in case of Thai Customer), or home country and present address (in case of foreign Customer);
 - e. contact information - telephone number and/or email address;
 - f. identity proof - a copy of Thai Identification Card (in case of Thai Customer) or a copy of Passport (in case of foreign Customer) certified true copy by the Customer; and
 - g. occupation - position, company’s name and company’s address having at least district and sub-district information).
8. **Rules related to Refunds**
 - a. Refund through other means than the refund function designated by Omise, including bank transfer or cash, is not permitted. Exceptions apply as per the summary table below.

- b. If there is additional fee or cost as notified by Omise resulting from the request to refund, such cost and fee will be borne by the Merchant.
- c. Refunded amounts will be deducted from the Merchant's Balance immediately after the request is approved.
- d. Service Fee, VAT and applicable taxes will not be refunded to the Merchant, unless the Merchant processes with Void prior to the Cut-off Time.
- e. Following rules apply depending on the Selected Method:

Alipay (Alipay Online, Alipay Offline)	- The Merchant can refund the full or partial amount of a charge within 365 (Three Hundred Sixty Five) days after the charge was created.
True Money Wallet	- the Merchant can refund the full amount of a charge within 30 (Thirty) days after the charge was created.
Electronic Card Payment	<ul style="list-style-type: none"> - The Merchant can refund a charge within 120 days after the charge was created. For some charges longer periods may be available and Omise will provide guidance on request. - The Merchant can refund the full amount once or partial amounts up to five times per transaction. - If the Merchant refunds the charge before the Cut-Off Time, it will be voided. Void can only be done for the full amount.
QR Payment Service (Promptpay)	- Omise does not support refunds for QR Payment Service. The Merchant has to process refunds using a different method directly with the Customer.
Citi Pay with Points	- The Merchant needs to communicate with the Customer that they must directly contact the issuing bank to process a refund.
Installments	<ul style="list-style-type: none"> - The requests to refund must be made at least 30 days prior to the ending of the installment term period. - Additional fee for refund may apply, and the fee will be notified by Omise and/or the Installment Service Provider to the Merchant. Such fees shall be payable by the Merchant.
Bill Payment	- Omise does not support refunds for Bill Payment Services. The Merchant has to process refunds using a different method directly with the Customer.
Internet Banking	- Omise does not support refunds for Internet Banking Payment Services. The Merchant has to process refunds using a different method directly with the Customer.
WeChatPay	- The Merchant can refund the full or partial amount of a charge within 365 (Three Hundred Sixty Five) days after the charge was created.
Mobile Banking	- Omise does not support refunds for Mobile Banking Services. The Merchant has to process refunds using a different method directly with the Customer.
Rabbit LINE Pay	- the Merchant can refund the full amount of a charge within 60 (Sixty) days after the charge was created.

8. Transactions Expiration: The Merchant acknowledges that the Selected Payment Method may have an expiration date. If the Customer fails to pay the Transaction Amount before the Transaction request expires, the request shall be automatically revoked, and the Customer cannot make any payment.

9. Maximum Transaction Amount: The Merchant acknowledges that the Selected Payment Method has a maximum transaction limit defined based on the Applicable Law and risk considerations.

10. Disputes: The Merchant accepts Omise's records of transactions as conclusive and binding for all purposes.

11. Disputes with Electronic Card Payment Transactions

- a. The Merchant is aware that disputes can arise considerable time after a transaction is completed.
- b. When requested and applicable, the Merchant will provide necessary information and supporting documents in response to a disputed transaction in the time provided or decide to accept and lose the dispute. Depending on the charge, this is between 3 and 7 days after Omise informs the Merchant about it. If the information is not received in a timely manner, the dispute is considered accepted and lost.
- c. The Merchant is aware that a Bank raising the dispute can reject its supporting documents as insufficient and insist. If the Merchant was to decide to request the Card Network to review the dispute for a final decision, **Filing Fees** will apply that the Merchant will need to cover.
- d. The Merchant is aware that some Disputes cannot be responded to without filing for arbitration, this includes Transactions reported to be fraudulent that were not protected by Cardholder Authentication.
- e. Disputed amounts including service fee, VAT, applicable tax and other charges may be deducted from the Merchant's Balance immediately once the dispute is received. The same amount will be returned if the dispute is won.
- f. The Merchant will cover any fees or costs in connection with such disputes. Additional fees, fines and penalties may be levied where the Merchant is determined to have excessive disputes. Be aware that if the Merchant has excessive disputes we may be forced to terminate the agreement.
- g. If the Merchant decides to terminate its/his account with Omise, the Merchant is still liable for any disputes that occurred while the Merchant was accepting payments through Omise.

12. Installments Service:

- a. The Installment Payment Service Provider may, from time to time, change or amend the installment interest rate (as documented in Schedule II of these Terms and Conditions) as it deems appropriate.
- b. Unless otherwise agreed by the Parties, the Merchant shall be obliged to pay any interest, commission, service fee or expenses, arising from the installment payment made by the Customer to the Merchant for the Goods and Services. In this regard, the Merchant shall authorize Omise to pay or remit such Installment Service Fee of the Service Provider to the Installment Service Provider.
- c. The Merchant shall specify the installment rate on the checkout page in order that the Customer would acknowledge such rate prior to the payment of Goods and Services.
- d. After Omise receives the full payment of the Transaction Amount from the Customer via the Installment Service, Omise will transfer the money to the Merchant in the amount equaling the Transaction Amount minus the Installment Service Fee of the Service Provider and the Service Charges as stated in Schedule II.

13. QR Code Payments: In any event that a Customer chooses to pay the Transaction Amount via the QR Payment Service, Omise shall retrieve such payment instruction and request the Source of Fund to generate specific QR code and present such QR code to the Customer on the Platform for his/her scanning for payment.

14. Bill Payment: In any event that a Customer chooses to pay the Transaction Amount via the Bill Payment, Omise shall issue a bill displaying a barcode or QR code or PIN code on the bill in electronic form for the payment collection of the Transaction Amount with respect to the Transaction (the "Bill Payment").

- a. **Bill Payment Service Collection Fees:** The Customer shall be responsible for any fee (if any) charged by the Third Party Service Provider in addition to the Transaction Amount.

15. Internet Banking Service Collection Fees: The Customer shall be responsible for any fee (if any) charged by the Third Party Service Provider in addition to the Transaction Amount.

16. Pay with Points Service: In any event that a Customer chooses to pay the Transaction Amount via the Pay with Points Service, Omise shall retrieve such payment instruction, and/or request the Source of Fund or Financial Institution to confirm the existence of the cardholder (being the Customer in this case), and/or convert the Transaction Amount in compliance with the points/rewards conversion structure and formula specified by the Source of Fund or Financial Institution and present the converted balance to the Customer for his/its confirmation. Upon confirmation, the so-converted points or rewards shall be redeemed from the Customer's credit card account.

- a. Omise has no liability to the Merchant or the Customer concerning the redemption of points/rewards converted accurately by implementing the points/rewards conversion structure and formula of each Source of Fund or Financial Institution.

17. Multi-Currencies Service:

- a. The Merchant agrees that the actual foreign exchange rate shall be calculated by Omise at the time a payment is captured, a refund is paid or a Dispute amount is deducted or returned. The actual exchange rate may be different than the quoted exchange rate provided on charge creation.
- b. The Merchant shall request consent of the Customer to accept that the foreign exchange rate is subject to risk, resulting in loss or benefit of value because of the fluctuation of the foreign exchange rate quoted by Omise.

18. Digital Contents:

- a. The digital contents shall have the meaning based on the type of payment methods as follows;
